

# Cheatin' Woman

[Molly Hatchet](#)

Cheatin' woman, don't you play your games  
They're so easy to see through  
You spend your time, baby, runnin' around  
Well, any old man will do What about your man out working hard  
And trying to change his ways  
Do you think about him while you're playing around  
Well, what have you got to say? You're a cheatin' woman  
But you sure know how to hide it in your smile  
You're a cheatin' woman  
You're sure to get caught up in your lies Well, cheatin' woman, you always come home  
And you don't say nothing at all  
Do you know really just what you want  
'Cause your acting pretty small Well, what will you do when your looks are gone  
Mama, tell me what happens then?  
You'll pay the price for playing around  
By coming to a lonely end You're a cheatin' woman  
But you sure know how to hide it in your smile  
You're a cheatin' woman  
You're sure to get caught up in your lies Oh, you cheatin' woman  
Ooh, yeah You're a cheatin' woman  
But you sure know how to hide it in your smile  
You're a cheatin' woman  
You're sure to get caught up in your lies  
You're sure to get caught up in your lies
