Conversation

Set it Straight

A conversation with a man helped me understand, he told me i was ignorant, he said i had no chance. At least that's how i took it in, offended and mislead, that's how i took it in. With disregard, i set it aside, continued with my life. Then come to realize, i was the one who needed more advice. I found it easier to move along with help by your side, so grab a friend, and hold on tight. That's my lesson for tonight. I'll always be there for me, i can depend. This i know for sure, it's the only thing that's pure.
