# Snow

## Toothgrinder

Snow sleep, a good rest
Sometimes can't, past impaired
My countryside wanderlust
I will always be the author of my lifeSo long, so long
I won't wait for you
I won't wait for you
So long, hold strong
Time won't wait for you
Time won't wait for you
Honesty, a liar's game
A checkered board with broken shameSo long, so long
I won't wait for you
I won't wait for youSo long, hold strong
Time won't wait for you
Time won't wait for you
So long, so long
I won't wait for you
I won't wait for you
So long, just hold strong
Time won't wait for you
