Two Silhouettes
It's been too clear for so long, I knew that there was something going on
Wanted to know what it's about, walked to your door, so we could talk it out
And as I got to your door that night, what did I see through the bedroom lightChorus:
Two silhouettes, standing at the window
Two silhouettes, standing face to face
I turned away, didn't wanna see, there ain't no more sadder sight to me
Than two silhouettes, yeah, ain't stopped crying yet, no
Still can't believe it yet, no, two silhouettes
The sight it stayed in my head, and through the night, as I lay on my bed
I wonder what do I do, just tell me how will I make it through
Somehow I wish that we'd never met, I'm telling you that I won't forget(chorus)I will be waiting, if you decide that you want me
I will come running, if that's the way you want it to be, yeahTwo silhouettes, standing at the window - standing at the window
Two silhouettes, standing face to face - face to face out of place
I turned away, didn't wanna see, there ain't no more sadder sight to me, ooh
Than two silhouettes, yeah, ain't stopped crying yet, no
Still can't believe it yet, no
Two silhouettes, yeah - baby what you doin' to me
Ain't stopped crying yet, no - baby won't you set me free
Still can't believe it yet, no - don't wish you'd feel the same about me
Two silhouettes, yeah, ain't stopped crying yet, no
Still can't believe it yet, no
