

You Look Like the Devil

[Willie Nelson](#)

You look like the devil in the morning
'Cause you've been out a working through the night
Holdin' hands and kissin' everybody
I'm glad to say that you can blow my mind You look like the devil when you're cryin'
I'm so glad that you feel so strong that way
You got a great big smile for everybody
And I'm so glad I met you yesterday You look like the devil in the morning
'Cause you've been out a working through the night
Holdin' hands and kissin' everybody
I'm so glad to say that you can blow my mind You look like the devil when you're cryin'
And I'm so glad that you feel so strong that way
You got a great big smile for everybody
And I'm so glad that I met you yesterday
I'm so glad that I met you yesterday
