

# The Static Age

## Green Day

Advisory - the following lyrics contain explicit language:

Can you hear the sound of the static noise  
Blasting out in stereo?  
Cater to the class and the paranoid  
Music to my nervous system Advertising love and religion  
Murder on the airwaves  
Slogans on the brink of corruption  
Visions of blasphemy, war and peace  
Screaming at you I can't see a thing in the video  
I can't hear a sound on the radio  
In stereo in the static age Billboard on the rise in the dawn's landscape  
Working your insanity  
Tragic a'la madness and concrete  
Coca Cola execution Conscience on a cross and  
Your heart's in a vice  
Squeezing out your state of mind  
Are what you own that you cannot buy?  
What a fucking tragedy, strategy  
Screaming at you I can't see a thing in the video  
I can't hear a sound on the radio  
In stereo in the static age I can't see a thing in the video  
I can't hear a sound on the radio  
In stereo in the static age Hey hey it's the static age  
Well this is how the west was won  
Hey hey it's the static age millennium All I want to know  
Is a God-damned thing  
Not what's in the medicine  
All I want to do is  
I want to breathe  
Batteries are not included What's the latest way that a man can die  
Screaming hallelujah?  
Singing out "The dawn's early light"  
The silence of the rotten, forgotten

Screaming at you I can't see a thing in the video  
I can't hear a sound on the radio  
In stereo in the static age I can't see a thing in the video  
I can't hear a sound on the radio  
In stereo in the static age I can't see a thing in the video  
I can't hear a sound on the radio  
In stereo in the static age  
The static age
