American Cowboy

Jada

I'm here to control your life
Go in and outta your life
Maybe just rise up the price
And drive you crazyI'm here to control your life
Go in and outta your life
And if I give you a slice
I'll drive you crazyAnd everything that you like
Well, do it my way
And everything that I like
Will stay the same way
And if you're willing to pay
I'll let you change me
For one day baby, baby, baby, babyI know, you know
I'm sexy, what would you do?
Would you sacrifice it all for me?
How would you like if I woo, yeah
I need an all American cowboyAh-ah-ah-ah-ah-oh
I'm too much for you, boy
Ah-ah-ah-ah-ah-oh
I'm too much for you, boyI ain't in here snapping for show
You can ask all these guys
When my booty clap it's a go
And you'll see something so nice
Your jealous girlfriend can't faze me
Ain't my fault u can't control your ladyAnd everything that you like
Well, do it my way
And everything that I like
Will stay the same way
And if you're willing to pay
I'll let you change me
For one day baby, baby, baby, babyI know, you know
I'm sexy, what would you do?
Would you sacrifice it all for me?
How would you like if I woo-yeah
I need an all American cowboyI know, you know
