

Homebreakers (Home & Abroad Live Version)

The Style Council

Good morning day, how do you do
I wonder - what will you do for me?
I should be on my way, I should be earning pay,
I should be all the things that I'm not -
And I've tried on my own, now there's nothing to keep me at home,
Like my Brother has too - gotta leave to get out of this view,
You see they, tell you to move around -
If you can't find work in your own town. As I rise from my bed I can hear the old man
Blaming Heaven & Mother for this
30 Years with one firm, 13 months redundant,
Yes I'd say that's unlucky for some - Now our tears fall like rain, as my Mother walks me to my train,
With a kiss & a wave - "Come home weekends" - that's if I can save.
I swear I'll take it out on the man -
Who ever devised this economy plan. All the love in the world - can't put -
Dinner on the table -
All the hate that I feel no love could put right
