

# Blew

## Redd Dirt

An' if you wouldn't mind, I would like it blew  
An' if you wouldn't mind, I would like it lose  
An' if you wouldn't care, I would like to leave  
An' if you wouldn't mind, I would like to breathe  
Is there another reason for your stain?  
Could you believe who we knew stress or strain?  
Here is another word that rhymes with shame  
An' if you wouldn't mind, I would like it blew  
An' if you wouldn't mind, I would like it lose  
An' if you wouldn't care, I would like to leave  
An' if you wouldn't mind, I would like to breathe  
Is there another reason for your stain?  
Could you believe who we knew stress or strain?

Here is another word that rhymes with shame  
Is there another reason for your stain?  
Could you believe who we knew stress or strain?  
Here is another word that rhymes with shame  
You could do anything  
You could do anything  
You could do anything  
You could do anything  
You could do anything  
You could do anything  
You could do anything  
You could do anything
