The Nexus

NightCreepers

At night, im hiding with an enemy,
At high a power of our enemy,
Shape off, Get your game on, get ya right back,
never back down, oh.

WELL AS I OPEN MY EYES
I SEE MY SHADOW
WILL I RETURN LIKE MYSELF
WHAT PART OF MINE WONT

I have the will inside my mind,
There is a voice I cant deny,

-Break, with the past, set the nexus free at last,
as the future will be there to save us,
Trapped in my skin, see the nexus in my dreams,
but will you bury me with it,

I rise, so you can be a part of me,
I hide as part of the machinery,
I slept on the right slept leaving these dreams ive been hiding,

WHAT HAS THE DARKNESS REVEALED
I SEE NO REASON
FOR ME TO REASON AT YOUR
ANNIHIL DEMON

I kept the secrets in my mind,
There is a voice I cant deny,

-Break, with the past, set the nexus free at last,
as the future will be there to save us,
Trapped in my skin, see the nexus in my dreams,
but will you bury me with it-
