

Pole In My Basement

Bow Wow

Yeah, it's going down
Get your money out
Magic city, Body tap, onyx
We gon' take it all the way out westSpearmint Rhino, scores out in Vegas
Can't forget about tootsie diamonds in Miami
Let's go, we gon' make it storm in here tonightI got a pole in my basement
So shawty, you ain't gotta go in
Shawty, just come bring a friend
I got a pole in my basementLil' mama, I got ones on deck
Shawty got money to spend
Come over, over
I'm gon' brake you offLil' mama, I know what you need
So mama, come over over
I'm gon' brake you off
