

# Overblown

## SinGles

(ok, grunge-masters, here we go)Everybody loves us  
Everybody loves our town  
That's why I'm thinking lately  
The time for leaving is nowHey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
It's so overblownEverybody loves us  
Man, they give me the creeps  
And you're up there shaking and flexing  
Display of a macho freak  
Now you've got their attention  
And you've got so very far  
They gave your very own spotlight  
Just like some real rock starHey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
It's so overblownShow them, stevieYou got a sack full of candy  
All I got was a rock  
They got you by your big business boy  
Nice to know you're packing extra socksEverybody loves us  
Everybody's getting kind of old  
Couldn't hold a regular job  
Long live rock and rollHey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
It's so overblown  
Overblown  
Overblown  
Overblown  
OverblownIt's all over and done
