

D Light

Golden Earring

From the Album:

* No promises no debts I'm in bed and she's bending over in a beam of d-light

You all know the sight

Things I can't seem to forget gettin' drunk and wet

In a pool of delight

She slips between the sheets and me

I can't resist I can't fight when she turns on the d-light

Achievin' that feelin' that makes my body glow

Turn on the d-light

Everything sugar and spice

When you turn on the d-light

Baby better keep it alive

Baby gotta keep it alive

Back in bed there's no conversation

Just the mellow sound of a sleepy town

And I can't sleep yet

Wanna make a bet

There's a million people in the wold

Waitin' for it to come around

Everybody's growin' up

Everybody's talkin' slow

Everybody's takin' big steps where I don't know

Believe in what your dreamin'

Cause there won't be anywhere else to go..
