

# The Story of a Rock and Roll Band

## Randy Newman

They were six fine English boys  
Who knew each other in Birmingham  
They bought a drum and guitar  
Started a rock-roll band  
And Johnny played little violin  
And Bobby Joe played the big violin  
The one that stands on the floor  
They were all in the rock-roll band  
Their first song sounded like this  
Please get me a witness  
Please get me a witness  
Right off, they needed a name  
Someone said, "How 'bout the Renegades ?"  
Johnny said, "Well I don't know.  
I prefer E.L.O." I love their "Mr. Blue Skies"  
Almost my favorite is "Turn to Stone"  
And how 'bout "Telephone Line"?  
I love that E.L.O.
