Yes

Roy Orbison

Do I love you? Oh yes
Do I want you? Oh yes
Yes, I want you, yes, I need you
Yes, truly I do, yes
Does the touch of your hand
Take me through wonderland?
Will my love be deeper than the sea?
Yes, yes, oh yes
Do you remember
The night we met?
Won't you please remember?
How could you forget?
I vowed it then
I vow it now
I vow to make you mine somewhere
Yes, yes, oh yes
