Ripped Jeans

Dice Soho

Riding round the city in my ripped jeans
I got cheddar now, can do whatever now
Told all of my niggas we rich forever-ever now
I say we rich forever-ever now
Riding round the city in my ripped jeans
I got cheddar now, can do whatever now
Told all of my niggas we rich forever-ever now
I say we rich forever-ever now
Yeah I've been to AMG just start the engine
Don't give a damn about a thing because we winning
They was sleeping on the boy in the beginning
But now the DJs keep the boy's songs spinning
Now she spinning on that pole
They looking at us cause we spending all this dough
Cameras flashing soon as I walk through the door
No one can talk, no one can take no pictures
Rolling up a swisher I think I can feel the liquor now
I can feel it, I can feel it
She dancing on me, spinning on me, know she feel it
You see that double cup right there? Please don't spill it
Riding round the city in my ripped jeans
I got cheddar now, can do whatever now
Told all of my niggas we rich forever-ever now
I say we rich forever-ever now
Riding round the city in my ripped jeans
I got cheddar now, can do whatever now
Told all of my niggas we rich forever-ever now
I say we rich forever-ever now
