Non-Stop (Instrumental)

Andy Bell

One beat, one heart
And I'm in your hands
I want to move and I'll take a chance
Poly-rhythm send me in a trance
One beat, one heart
You can't stop to danceNon-stop music
Come dance with me and I'll give you more
Don't stop the music
'Cause you're the one I'm looking for
Non-stop music
Just hold me like you did before
Don't stop the music
Come here right now and give me more
Love me hold me
Now we're in a spin
Torn and bruisy
What a state we're in
Psycho rhythm till we're fit to drop
One beat one heart
Take it from the topNon-stop music
Come dance with me and I'll give you more
Don't stop the music
'Cause you're the one I'm looking for
Non-stop music
Just hold me like you did before
Don't stop the music
Come here right now and give me more
Non-stop music
Come dance with me and I'll give you more
Don't stop the music
'Cause you're the one I'm looking for
Non-stop music
Just hold me like you did before
Don't stop the music
Come here right now and give me more
