Snake Eyes (Original Mix)

Feint

Can't you see? Everything Is a mess When you hide All the lies That you thought You could buryYou kept rolling snake eyes You kept rolling snake eyes One too many times One too many times And all you see are the cards that you can play And you thought you'd get away with these games And all you see are the cards there in your hand And you thought that you have everything plannedCan't you see? Everything Is a mess When you hide All the lies That you thought You could buryYou kept rolling snake eyes And all you see are the cards that you can play And you thought you'd get away with these games And all you see are the cards there in your hand And you thought that you have everything planned You kept rolling snake eyes One too many times
