I Can Help (Acoustic)

Billy Swan

If you've got a problem, don't care what it is
If you need a hand, I can assure you thisI can help, I've got two strong arms, I can help
It would sure do me good to do you good
Let me helpIt's a fact that people get lonely, ain't nothing new
But a woman like you, babe, should never have the bluesLet me help, I've got two for me, let me help
It would sure do me good to do you good
Let me helpWhen I go to sleep at night, you're always a part of my dreams
Holding me tight and telling me everything I want to hearDon't forget me, babe, all you gotta do is call
You know how I feel about you, I can do anything at allLet me help if your child needs a Dad, I can help
It would sure do me good to do you good
Let me helpWhen I go to sleep at night, you're always a part of my dreams
Holding me tight and telling me everything I want to hearDon't forget me, babe, all you gotta do is call
You know how I feel about you, if I can do anything at allLet me help, for a child needs a Dad, I can help
It would sure do me good to do you good
Let me help
