P.S.A.

Da Grym Reefer

Although I try to keep my heart pure
Like the good book
My thoughts
Are Banned From YouTube
And too raw for Facebook
And Twitter and got enough space
To say "Stay out of MySpace"
So niggaz will have to learn firsthand
Not to fuck with me in the first placeSee when I smiled,
and tried to shake
Niggaz tried to play me pussyNow the expression on my face is just daring you
To push meNow I don't know you
But you beefing
Or least saying a niggaz name
Cuz when I speak to niggaz in the streets
They always bringing up the same niggaz namesSo while you studying a nigga
All you niggaz study this:I'm diarrhea on you niggaz!Signed,The nigga you gave SHIT!!!
