No One To Run With

The Allman Brothers Band

Everybody wanna know
Where Jimmy has gone
He left town
I doubt if he's comin' back home
Tony gotta job
Three kids and a lovely wife
Workin' in the commerce bank
For the rest of his life

Nobody left to run with anymore
Nobody wants to do the crazy things
We used to do before
Nobody left to run with anymore

I'm gonna hit the road
Adios my friend
Go some place
And start all over again
Don't know where I'm goin'
Like a gypsy out on the road
Go some place and join a travelin' show

Nobody left to run with anymore
Nobody wants to do the crazy things
We used to do before
Nobody left to run with anymore

Nobody left to run with anymore
Nobody left to run with anymore

I think Jimmy must've had the right idea
He packed his stuff
And he got right out of here
I don't know where he's at
But I'm sure that he's ok
Now I realize
What Jimmy was tryin' to say

Nobody left to run with anymore
Nobody wants to do the crazy things

We used to do before
Nobody left to run with anymore

Nobody left to run with anymore
No no nobody left to run with anymore
