

# Empty Walls (acoustic)

Serj Tankian

Your empty walls, your empty walls  
Pretentious adventures, dismissive apprehension  
Don't waste your time on coffins today  
When we decline from the confines of our mind  
Don't waste your time on coffins today  
Don't you see their bodies burning, desolate and full of yearning  
Dying of anticipation, choking from intoxication?  
Don't you see their bodies burning, desolate and full of yearning  
Dying of anticipation, choking from intoxication?  
I want you to be left behind those empty walls  
Told you to see from behind those empty walls  
Those empty walls  
When we decline from the confines of our mind  
Don't waste your time on coffins today  
Don't you see their bodies burning, desolate and full of yearning  
Dying of anticipation, choking from intoxication?  
Don't you see their bodies burning, desolate and full of yearning  
Dying of anticipation, choking from intoxication?  
I want you to be left behind those empty walls  
Told you to see from behind those empty walls  
Want you to be left behind those empty walls  
I told you to see from behind those empty walls  
From behind those empty walls  
From behind those empty walls, the walls  
From behind those empty walls  
(I loved you yesterday)  
From behind those empty walls  
From behind those empty walls, the walls  
(Before you killed my family)  
Don't you see their bodies burning, desolate and full of yearning  
Dying of anticipation, choking from intoxication?  
Don't you see their bodies burning, desolate and full of yearning  
Dying of anticipation, choking from intoxication?  
I want you to be left behind those empty walls  
Told you to see from behind those empty walls  
(Desolate and full of yearning, dying of anticipation)  
(Choking from intoxication)  
I want you to be left behind those empty walls  
(Don't you see their bodies burning, desolate and full of yearning)

(Dying of anticipation, choking from intoxication?)

I told you to see from behind those empty walls

From behind those empty walls

From behind those fucking walls

From behind those goddamn walls

Those walls, those walls
