

# Love Will Tear Us Apart

## Nouvelle Vague

When routine bites hard and ambitions are low  
And resentment rides high, but emotions won't grow  
And we're changing our ways, taking different roads  
Then love, love will tear us apart again  
Love, love will tear us apart again  
Why is the bedroom so cold, turned away on your side?  
Is my timing that flawed, every feeling run so dry?  
Yet there's still this appeal that we've kept through our lives  
And love, love will tear us apart again  
Love, love will tear us apart again  
Do you cry out in your sleep, all my feelings expose?  
Gets a taste in my mouth as desperation takes hold  
Why is it something so good, just can't function no more?  
And love, love will tear us apart again  
Love, love will tear us apart again  
Love, love will tear us apart again  
Love, love will tear us apart again
