

# You Are the One (Early Version)

[a-ha](#)

You are the one  
Who has done me in  
Guess you knew from the start  
I call again, but there's no one in  
Don't know where  
With whom you've been  
But I do love you  
Any way you want me to And you are the one  
Now the state I'm in!  
Catching you was so hard  
I fought for you  
Did you let me win?  
You don't even care  
You don't care where I've been  
But I do love you  
Any way you want me to You are the one I've done all I can do  
All the letters I've sent through  
Put my life in the palms of your hand  
Maybe now you can see  
That it's got to be me  
If you leave me  
I'll understand, yeah  
If you leave me  
I'll understand Oh, you are the one  
Who has done me in  
Guess you knew from the start  
I call your friends  
But there's no one in  
Catching you is so hard You are the one  
You are the one  
You are the one  
You, you are the one  
You are the one
