

# Hallelujah, I Love Her So

Eddie Cochran

Let me tell you about a girl I know  
She's my baby and I love her so  
Every morning when the sun comes up  
She brings me coffee in my favorite cup  
That's why I know, yes I know  
Hallelujah I just love her so

When I call her on the telephone  
She says baby, I'm all alone  
By the time I count from one to four  
She'll be knocking on my door

In the evening when the sun goes down  
And there ain't nobody else around  
She kisses me and she holds me tight  
She says baby everything is alright  
That's why I know, that's why I know  
Hallelujah I just love her so  
Hallelujah I just love her so  
Hallelujah I just love that chick so
