Radiate

Before You Exit

Keeping your love in your pocket
You're the one shining a light in the darkness
All of your clothes
Are covered in goldLosing my talk, losing my breath
When you're just lighting a spark with your footsteps
Giving a glow
Wherever you goYou radiate,
Radiate, eh
Oh, I'm just trying to get there, singing
It's gonna get dark until you radiate
Radiate, eh
Oh, I'm just trying to get there, singing
It's gonna get dark until you radiate, ehPurple red flame turning violet
You're the one living it loud when you're quiet
Have you been told?
Do you even know?Losing my walk, losing my step
When you're just painting the sky like a sunset
Giving a glow
Wherever you goYou radiate,
Radiate, eh
Oh, I'm just trying to get there, singing
It's gonna get dark until you radiate
Radiate, eh
Oh, I'm just trying to get there, singing
It's gonna get dark until you radiate, ehRadiate, radiate, radiate, eh
Radiate, radiate, radiate, eh
All the lights (radiate, radiate, radiate, eh)
In your eyes (radiate, radiate, radiate, eh)
All the lights (Connor: Radiate, radiate, radiate, eh) (Toby: All the lights, all the lights, all the lights)
In your eyes (Connor: Radiate, radiate, radiate, eh) (Toby: All the lights, all the lights)
All the lightsYou radiate (Riley: radiate)
Radiate, eh
Oh, I'm just trying to get there, singing
It's gonna get dark until you radiate
Radiate
Oh, I'm just trying to get there, singing
It's gonna get dark until you radiate, ehAll the lights in your eyes
All the lights in your eyes
All the lights in your eyes
