

# Nod Ya Head (The Remix)

[Will Smith](#)

We come to make it hot for you

When we get down with the black suits, baby  
Just let it loose up in here, go crazy  
The way you're bouncin' and shakin'  
I know you're feelin' me, so get up out ya seat  
Come on and nod ya head with me  
(Nod ya head)

When we get down with the black suits, baby  
Just let it loose up in here, go crazy  
(Let me see you nod ya head)  
The way you're bouncin' and shakin'  
I know you're feelin' me, so get up out ya seat  
Come on and nod ya head with me

I am the man in black, I'm back  
Breakin' the back  
Of the random attackers  
So can the flack

Yo, I'm dangerous  
I've been trained to bust  
When the strange of us  
Try to endanger us

Praise me me y'all  
Don't nothin' phase me, y'all  
When they see me  
They gaze be all crazy, y'all

They say I'm a myth  
Trust me when if somebody rip  
Out of the depths of your imagination  
So here's Will Smith

Black suit, the black shades  
The black shoes, black tie with the black attitude  
New style black ray-bans, I'm stunnin' man

New hot in this pitch black 600 man

Don't you understand?

What you thought I wouldn't come again  
Leave you hangin' without bringin' you the fun again  
Tanglin' with the alien scum again  
Mind your manners or the black suits runnin' in

(Nod ya head)

When we get down with the black suits, baby  
Just let it loose up in here, go crazy  
(Let me see you nod ya head)  
The way you're bouncin' and shakin'  
I know you're feelin' me, so get up out ya seat  
Come on and nod ya head with me  
(Nod ya head)

When we get down with the black suits, baby  
Just let it loose up in here, go crazy  
(Let me see you nod ya head)  
The way you're bouncin' and shakin'  
I know you're feelin' me, so get up out ya seat  
Come on and nod ya head with me  
(Yo, check it, yo)

Frettin' that me n my mens tryin' to get the light  
Thinkin' shes superwomen, but black Kryptonite

Best lookin' crime fighter since myself in part one.

'Cause case is back and he's hype, what? Bring it on

Yo, case closed, erase my foes  
Chased away by the black suits, shades and clothes  
We above the law, Feds can't touch me, y'all  
Highly ranked, black blank ID cards

So disregard what you think you saw  
Put that phone down, now  
Who you think you callin', huh?  
One little flash then, goodnight dear  
Just open your eyes, honey; look right here, thank you

Mission completed  
I mean it we wont be defeated  
You seen it we did it  
Even with weapons depleted

Galaxy defenders don't act like you don't remember  
Taking contenders and provin' they only pretenders  
Ladies and gentleman, boys and girls  
The men is black is back to protect the world  
When the enemy is near the elite is here  
So have no fear, just let me see you

(Nod ya head)  
When we get down with the black suits, baby  
Just let it loose up in here, go crazy  
(Let me see you nod ya head)  
The way you're bouncin' and shakin'  
I know you're feelin' me, so get up out ya seat

Come on and nod ya head with me

(Nod ya head)

We come to blow down the block for ya, woo

Come to crack the street for ya, woo

Blast the windows out ya jeep for ya, woo

We don't wanna hear a peep, baby, woo

Gotsta recognize the heat, baby, woo

It's the M.I.B baby, woo

Got somethin' for all eyes to see, baby, woo
