Paul Wall

Advisory - the following lyrics contain explicit language:

Paul Wall, I'm the people's champ
It ain't easy bein' the people's champ, it's the new me'
True, a lot of struggles I done been through and still goin' through
Let me show you what it's like to be me I'm not your average guy, I'm more than meets the eye
I know, I'm friendly and fly but let me tell you why
I was abandoned at an early age
My daddy was a dope fiend, I ain't seen him since the second grade I sing the same song, deadbeat dad, single
mom
I was always in the crawl, yet and still I was alone
I kept my faith in God even in my younger days
I gave my life to Christ, got down on my knees and prayed And God answered our prayers and momma
remarried
All the burdens she carried, I must admit that it was scary
Somehow I got a real man as my father figure
Thangs started gettin' better for my momma and my sister Pain took me from a boy to a man
I knew, I'd make it to the end if I could stick to the plan
People judge me off my music but they never even met me
But I'd introduce myself if you'd let me See I've been doin' this here for a while
Eventually y'all boys gon' respect me dawg
I'm Paul Wall until it's over I'ma ball 'til I fall
I'm the greatest in a minute ch'all Let me tell you if you knew me, yeah the true me
Not the glamor and glitz that y'all do see
I'm just a regular G, I gotta do me
I'm 'bout to introduce y'all boys to the new me, c'mon It's more to me than all this glamor and glitz
I spent my whole life broke, I'm just tryin' to get rich
I kept it real all my life, I never stepped on toes
But somehow my friends keep turnin' into my foes My ex keep callin' me but I don't wanna talk to her
So then she call the laws on me like I'm the one stalkin' her
My new girl say I don't love her enough
But all the hatin' friends jealous 'cause I love her too much I'm drinkin' bottles of Patron tryin' to drink away
my troubles
But bein' an alcoholic only make thangs double

People judge me off my music but they never even met me
But I'd introduce myself if you'd let me See I've been doin' this here for a while
Eventually y'all boys gon' respect me dawg
I'm Paul Wall until it's over I'ma ball 'til I fall
I'm the greatest in a minute ch'all Let me tell you if you knew me, yeah the true me
Not the glamor and glitz that y'all do see
I'm just a regular G, I gotta do me
I'm 'bout to introduce y'all boys to the new me, c'mon You think, you know me, maybe but you don't know me,
maybe
Just because you shake my hand don't mean that you
My homey, maybe, it's people prayin' on my downfall
And I can't understand why 'cause I show love to all y'all People are grateful for the favors you show 'em
But when they need you for another one they still act like you owe 'em
Everybody be takin' credit for somethin' they ain't do
But you need to quit reachin' and stand on your own two I always stayed humble, I never once changed
I never got a ego or a big head 'cause of fame
People judge me off my music but they never even met me
But I'd introduce myself if you'd let me See I've been doin' this here for a while
Eventually y'all boys gon' respect me dawg
I'm Paul Wall until it's over I'ma ball 'til I fall
I'm the greatest in a minute ch'all Let me tell you if you knew me, yeah the true me
Not the glamor and glitz that y'all do see
I'm just a regular G, I gotta do me
I'm 'bout to introduce y'all boys to the new me, c'mon I'm Paul Wall, I'm the people's champ but it ain't easy
bein' me
I done put in my fair share of work, [Incomprehensible], for real
Passin' out fliers at the club
Doin' freestyles that don't go on mixtapes I ain't understand it then but now I understand it
It's a bigger picture than just what you think
You gotta think outside the box and try to make it
It's chess moves, not checkers baby
