

Born On Your Knees

Napalm Death

Born on your knees
Life in chains
A slow death
Into your gravesBorn on your kneesBorn on your knees
Life of pain
Existence restricted
By material gainsBorn on your knees
You fucking assholeBorn on your knees
Conditioned blind
Crawling of death
Revenge for your crimeBorn on your kneesBorn on your knees
From the womb torn
Live in chains
And die as you were bornBorn on your knees
