Metal Beat

John Foxx

[Chorus]
Metal beat [Repeat: x4]Jim Suit
Black hair
Dim skin
Gold teethA trickle voice like a silver sheetThe pulling of the lights
Reflecting in my eyes
Pick up a flip-top box from the vinyl seat[Chorus]Drift in
Drift out
We're gone
I'm hereClick on
Click off
No-no
Don't get too nearName on the shatterproof glass
Melt into a mass
Let's slide across me in this heat[Chorus]
