## John Foxx

[Chorus]

Metal beat [Repeat: x4]Jim Suit

Black hair

Dim skin

Gold teethA trickle voice like a silver sheetThe pulling of the lights

Reflecting in my eyes

Pick up a flip-top box from the vinyl seat[Chorus]Drift in

Drift out

We're gone

I'm hereClick on

Click off

No-no

Don't get too nearName on the shatterproof glass

Melt into a mass

Let's slide across me in this heat[Chorus]
