

Moment Of Glory

Scorpions

Moment of glory called evolution
Could I see the world with the eyes of a child
A new beginning, a moment of freedom
Like angels are singing a song full of joy
This side of heaven belongs to the children
I will be there, when the future arrivesMoment of glory called evolution
Could I fly away like a bird in the sky
No limitation, a new inspiration
A world that is free just as free as my mind
Communication, a new destination
The planet of visions is calling tonightAnother thousand years seems so long
I'm just a passenger and the ride has just begunMoment of gloryMoment of glory called evolution
Could I see the world with the eyes of a child
A new beginning, a moment of freedom
Like angels are singing a song full of joy
This side of heaven belongs to the children
I will be there, when the future arrivesMoment of glory
Moment of glory
Moment of glory
Moment of glory, of glory
