There was a man
A little ole man
Who lived in Montreal
With a wife and a kid
And a car and a house
And a teenage daughter
With a see-thru blouse
Who loved to grunt and ball - -
And her name was Magdalena

The little ole man
Came home one night
To his house in Montreal.
He caught his daughter
In the blouse by the light
And he said to himself:
"she looks all right!"
And he reached for a tit
And grabbed it tight
And threw her up
Against the wall
(blue cross!)

Magdalena, my daughter dear,
Do not be concerned when your
Canadian daddy comes near.

My daughter dear
Do not be concerned when your
Canadian daddy comes near.

I work so hard,
Don't you understand,
Making maple syrup
For the pancakes of our land.
Do you have any idea
What that can do to a man

What that can do to a man?

Do you have any idea

What that can do to a man

What that can do to a man?

The little ole man

With the grubby little hand

Who lived in montreal

Was drooling a bit

As he reached for her tit

And he said to himself:

"this gonna be it!"

But the girl turned around

And said: "go eat shit!"

And ran on down the hall.

Right on, magdalena!

My daughter dear,

Do not be concerned when your

Canadian daddy comes near.

My daughter dear

Do not be concerned when your

Canadian daddy comes near.

I work so hard,

Don't you understand,

Making maple syrup

For the pancakes of our land.

Do you have any idea?

What that can do to a man

What that can do to a man?

Do you have any idea?

What that can do to a man

What that can do to a man?

Magdalena, don't you tease me like this

Right in the hallway with your blouse and your tits

If your mommy ever finds us like this

She'll call a lawyer, oh how mom will be pissed

Doodle doodle doodle duh-duh dee-uh

Doodle doodle doodle duh-duh dee-uh

Magdalena, magdalena, magdalena, magdalena,

Daughter of the smog-filled winds of los angeles,

I'd like to take you in the closet

And take off your little clothes

Until you're virtually stark raving nude,

Spread mayonaise and kaopectate all over your body

And take you down to hollywood boulevard

And we can, we can walk down the streets
By the stars that say john provost and leo g. carrol
Together, baby.

We can go dancing up at the cina grill ... can't you see it: frank pernell and us, until dark ... don't you understand, my baby ... I didn't mean, I didn't need, I mean ... it was so hard for me
