Chasing Lights

Marine Time Keepers

Frankie :
Go on
Go on
Go on

Go on
Go on
Go on

Go on
Go on
Go on

Mollie :
Go on
Go on
Go on

Vanessa :
I've been doing this my way,your way,our way
I can't make it work
When all I have is not enough

I've been doing all I can,my plan,your plan
And all I get is hurt
This game we're playing has to stop

Rochelle :
I got you stuck in my head
And all you do is breaking me
I can't continue taking this

I tried my best to understand
But I cannot make sense of you
I've got to take a stand now baby

The Saturdays :
I don't want to waste another day
I don't want to live my life this way
I'm tired

I Just want to ly back down and
I don't want to waste another night
I don't want to keep on chasing lights
So go on,go on,go on,go on,go on,go on
Bye Bye

Mollie :
I remember I met you
Let you get your way in everything
You took complete control of me

I remember you lying
Crying,trying to get away with it
But now I know cause now I see

Una :
I believed all that you said
I never questioned any lies
I never opened up my eyes

All your words got me mislead
Now I am standing
I'm alive
I never had you on my side
Ohhhh

The saturdays :
I don't want to waste another day
I don't want to live my life this way
I'm tired
I Just want to ly back down and
I don't want to waste another night
I don't want to keep on chasing lights
So go on,go on,go on,go on,go on,go on
Bye Bye

Vanessa :
Bye Bye
Ohhhh

Frankie :
I've been doing this my way,your way,our way
It doesn't work
When all I have is not enough

I've been doing all I can,my plan,your plan

And all I get is hurt

Vanessa :
Ohhhh

The Saturdays :
I don't want to waste another day
I don't want to live my life this way
I'm tired
I Just want to ly back down and
I don't want to waste another night
I don't want to keep on chasing lights
So go on,go on,go on,go on,go on,go on
Bye Bye

Vanessa :
Bye Bye
Ohhhh
