

So Fine

Guns N' Roses

How could she look so fine?
How could it be she might be mine?
How could she be so cool?
I've been taken for a fool so many times
It's a story of a man who works as hard as he can
Just to be a man who stands on his own
But the book always burns as the story takes its turn
And leaves a broken man
How could she be so cool?
How could she be so fine?
I owe a favor to a friend
My friends they always come through for me, yeah
It's a story of a man who works as hard as he can
Just to be a man who stands on his own
But the book always burns as the story takes its turn
And leaves a broken man
If you could only live my life
You could see the difference you make to me, to me
I'd look right up at night
And all I'd see was darkness
Now I see the stars alright
I wanna reach right up and grab one for you
When the lights went down in your house
Yeah that made me happy
The sweat I make for you
Yeah, I think you know where that comes from, guitar come on
Well I'd look right up at night
And all I'd see was darkness
Now I see the stars alright
I wanna reach right up and grab one for you
When the lights went down in your house
Yeah that made me happy
The sweat I make for you
I think you know where that comes from
How could she look so good, so good?
How could she be so fine?
How could she be so cool?
How could it be she might be mine?
