

# I'll Be Seeing You

Chris Botti

I'll be seeing you in all the old familiar places  
That this heart of mine embraces all day through  
    In that small cafe, the park across the way  
        The children's carousel,  
The chestnut trees, the wishing wellI'll be seeing you in every lovely summer's day  
    In everything that's light and gay  
I'll always think of you that wayI'll find you in the morning' sun  
    And when the night is new  
        I'll be looking at the moon  
        But I'll be seeing you  
I'll find you in the morning sun  
    And when the night is new  
        I'll be looking at the moon  
        But I'll be seeing you
