

Lucky Dog (Single Version)

[Keith Whitley](#)

I can't stand the collar
It makes it hard to swallar
But where you go I'll faller
Hey, I'm a lucky dog I can't get used to gettin'
All this love and pettin'
You're about to spoil me rotten
Hey, I'm a lucky dog I used to be a homeless hound
Runnin' 'round up and down
Every street in town When I found you baby
The one who drove me crazy
There ain't no ifs or maybes
Hey, I'm a lucky dog Since my tails waggin'
My tummy's almost draggin'
I just can't keep from braggin'
Hey, I'm a lucky dog I used to be a homeless hound
Runnin' 'round up and down
Every street in town When I found you baby
The one who drove me crazy
There ain't no ifs or maybes
Hey, I'm a lucky dog
