Everybody Loves Me

Prince

Tonight I love everybody
Everybody loves me
The beat you're giving is the rhythm of life
Everybody get happy
If you really come to party
This is the place to be
Tonight I love everybody
Everybody loves me
Everybody loves me
Everybody loves me
Everybody loves me
Tonight the stars are out
There's music in the air
The sounds of joy and celebration
Are drowning out despair
If you're the king of hate
Or if you're the queen of misery
Tonight I love everybody
Everybody loves me
Everybody loves me
Everybody loves me
Everybody loves me
This party's sick
With all the [Incomprehensible]
Get the police quick
Don't let them shut us down
Don't do it
No
Rock it
Tonight I love everybody
That's right, everyone
I don't care what you came here for
As long as you have fun
Everybody get free
Everybody get free
Everybody love me

There ain't no shame
In having a good time

There's only us to blame
If we make it up right
Oh, I ain't lying
There ain't nothing to it
But to do it
There ain't nothing to it
But to do it
Shake it like you don't know better
Woop de woop
Shake it like you don't know better
Woop de woop
There ain't nothing to it
But to do it
Everybody loves me
Everybody loves me
Everybody loves me
Me
Everybody loves me
Everybody loves me
Me
Everybody loves me
Everybody loves me
There ain't nothing to it
But to do it
There ain't nothing to it
But to do it
There ain't nothing to it
But to do it
Tonight I love everybody
Everybody loves me
Tonight I love everybody
Everybody loves me
Tonight I love everybody
Everybody loves me
Tonight I love everybody
Everybody loves me
