

One Love

Jordan Pruitt

Oh, oh, oh, a oh
Oh, yeah, yeah
Oh, oh, oh, a oh
La, da, da, da, da

Somethin' 'bout the way you move when you move that I love, love, love
Somethin' 'bout the way you talk when you talk that I can't get enough, oh

The way you say it's a beautiful day when the rain comes down,
Down, down down, down, down, down
And I don't care if we don't go nowhere as long as you're around,
'round, 'round, yeah

No one's gonna break our stride
We walkin' side by side
We ride, we ride

Oh

Some say maybe this one maybe that one never sure of the one they depend on
I say you're the right one
Baby come carry me away

Oh

One love, one love, one love
One love that I'm sure of
One love, one love, one love
That I can't get enough of

Oh, oh, oh, a oh (that I can't get enough of)

One love that I'm sure of
Oh, oh, oh, a oh
Oh uh, yeah yeah

Every time you look at me
And smile like you smile
My heart go boom, boom, boom

Anytime you're not around a minute
Kind of feels just like an empty room

And when the music's playin'
You come and hold me and we sway, sway, sway (sway, sway, sway)(sway, sway)

And even when I'm wrong
You tell me that I'm right and it's OK, OK, okay

Oh

No one's gonna break our stride
We walkin' side by side
We ride, we ride, oh, yeah

Some say maybe this one maybe that one never sure of the one they depend on
I say you're the right one
Baby
Come carry me away

Oh

One love, one love, one love
One love that I'm sure of
One love, one love, one love
That I can't get enough of

Some get 'em for the money
Some get 'em for the things
Some play it like a game just because they can
I'm in it 'cause I wanna be
Boy you were made for me
Stay with me
Baby you know

Oh, oh, oh, yeah

Some say maybe this one maybe that one never sure of the one they depend on
I say you're the right one
Baby come carry me away

Yeah, oh

One love, one love, one love
One love, one love
One love, one love, one love

One love
One love, one love, one love (one love)
Oh, yeah yeah
One love, one love, one love (I can't get enough of)
Oh, yeah
One love, one love, one love

One love that I'm sure of
