

# These Are The Times

**Dru Hill**

It's taking everything in me  
Not to kiss you over, under  
Feel you inside, feel my thunder  
How the hell could i not want cha  
Girl it don't have to be a thang  
I'll wait for you, you wait for me  
Cause' true love is insisting we don't have to rush at all  
These are the times we all wish for  
The moment when less means so much more  
We don't have to do a thing at all  
We can just take our time and talk  
And this is the way things need to be  
No pressure from you and none from me  
Just let the mood set the moment off  
We can make love or not all  
Be thinkin bout you all the time  
Morning, noon and supertime  
Tear you up in little pieces  
Swallow you like reeses pieces  
Come on girl you know i need it  
It ain't s'posed to be a thang  
I know  
If i wait for you, you'll wait for me  
And i know  
True loves insisting we don't have to rush at all  
These are the times we all wish for  
The moment when less means so much more  
We don't have to do a thing at all  
We can just take our time and talk  
And this is the way things need to be  
No pressure from you and none from me  
Just let the mood set the moment off  
We can make love or not all  
I don't make promises  
Cause i know my heart gets weak  
I get around you  
It makes them hard to keep  
You bring out the best, you make me the man  
God knows i'm proud to be  
These are the times we all wish for  
The moment when less means so much more  
We don't have to do a thing at all  
We can just take our time and talk  
And this is the way things need to be

No pressure from you and none from me  
Just let the mood set the moment off  
We can make love or not all
