

# You Blew Me Off

Bare Jr.

When I said  
I love you  
You blew me off  
It turned me on You blew me off  
(It turned me on)  
You blew me off  
(It turned me on)  
You blew me off  
(It turned me on)  
You blew me off  
(It turned me on) All or nothing  
More or less  
You assault me ruthlessly  
Oh you're the best You blew me off  
(It turned me on)  
You blew me off  
(It turned me on)  
You blew me off  
(It turned me on)  
You blew me off  
(It turned me on) You don't understand, you see  
Your not suppose to take on me  
You don't understand, you see  
Well, that's just how it's gotta be, yeah If you ignore me  
You get my respect  
When you turn to hug me  
And I like you less You blew me off  
(It turned me on)  
You blew me off  
(It turned me on)  
You blew me off  
(It turned me on)  
You blew me off  
(It turned me on) What are you doing?  
Callin' me on the phone  
Sayin' Bobby come back  
Won't ya leave me alone You blew me off  
(It turned me on)  
You blew me off

(It turned me on)  
You blew me off  
(It turned me on)  
You blew me off  
(It turned me on) You don't understand, you see  
Your not suppose to take on me  
You don't understand, you see  
Well, that's just how it's gotta be, hey, hey hey hey
