

Let's Go to Vegas

Faith Hill

Hey baby, let's go to Vegas
Kiss the single life goodbye
Hey baby, let's go to Vegas
Bet on love and let it ride Lyin' on the bank of the river
Stars are dancin', Lord it's hot
Holdin' you is what I live for
I just had a crazy thought Hey baby, let's go to Vegas
Kiss the single life goodbye
Hey baby, let's go to Vegas
Bet on love and let it ride We'll find a little wedding chapel
A pair of rings and a preacher too
Underneath the neon steeple
We'll take a gamble and say, "I do" Hey baby, let's go to Vegas
Kiss the single life goodbye
Hey baby, let's go to Vegas
Bet on love and let it ride Viva Las Vegas, sparklin' lights
Dangerous livin', tumblin' dice
You're my ace in the hole now honey and I'm your lady luck
Pack a few things and a little money and put 'em in the truck Hey baby, let's go to Vegas
Kiss the single life goodbye
Hey baby, let's go to Vegas
Bet on love and let it ride Viva Las Vegas, sparklin' lights
Dangerous livin', tumblin' dice
You're my ace in the hole now honey and I'm your lady luck
Pack a few things and a little money and put 'em in the truck Hey baby, let's go to Vegas
Kiss the single life goodbye
Hey baby, let's go to Vegas
Bet on love and let it ride Hey baby, let's go to Vegas
Kiss the single life goodbye
Hey baby, let's go to Vegas
Bet on love and let it ride
Bet on love and let it ride
Bet on love and let it ride
