

# Aurora

## Björk

Treading the glacier head  
Looking hard for a moment of shine  
From twilight to twilight  
Utter mundane Aurora  
Goddess sparkle  
Shoot me beyond this suffer  
The need is great  
Aurora  
Utter mundane Aurora  
Goddess sparkle  
A mountain shade  
Suggests your shape  
I tumbled down on my knees  
Fill the mouth with snow  
The way it melts  
I wish to melt into you  
Aurora  
Utter mundane  
Spark the sun off  
Spark the sun off  
Spark the sun off  
Spark the sun off me
