

It's So Easy

[Sheryl Crow](#)

All I want to know
Is when you go, do you think of me?
'Cause I could let you go but there'd be a hole
Where my heart used to be It's so easy holding you near
I could melt in your arms and disappear
Loving you baby, is breaking my heart tonight
'Cause it's so easy but it isn't right I saw you today, then you walked away
And I couldn't breathe
'Cause I know how it would be
The love so real when you're touching me It's so easy holding you near
I could melt in your arms and disappear
Loving you baby, is breaking my heart tonight
'Cause it's so easy but it isn't right Every night, I lay here alone
After you leave me and go home
But she doesn't know that we can't let go
And it's hurting me so It's so easy holding you near
I could melt in your arms and disappear
Loving you baby, is breaking my heart tonight
'Cause it's so easy but it isn't right It's so easy but it isn't right, no
It's so easy but it isn't right
Baby, it's so easy
