She Want It

The Gaylads

She want it, she want it, she want it

Now you give her as she want it

She want it, she want it, she want it

Now you give her as she want itLove shines brighter than gold, you know Just as long as your heart can goShe want it, she want it, she want it

Now you give her as she want it

She want it, she want it, she want it

Now you give her as she want it'Cause when she can't get it, she feels so mad But when she get it, she feels so gladTake it easy, babeLove shines brighter than gold, you know Just as long as your heart can goShe want it, she want it

Now you give her as she want it

She want it, she want it

Now you give her as she want itWhen she can't get it, she feels so mad But when she get it, she feels so gladShe want it, she want it

Now you give her as she want it
She want it, she want it, she want it
Don't stop her if she want itShe get it, she get it, she get it
She never stop 'til she get it
She get it, she get it
She never stop 'til she get itFeel that? Right there

Rub it in, babe
