

# Gimme Sympathy (Sikdope Remix)

## Metric

Get hot  
Get too close to the flame  
Wild open space  
Talk like an open book  
Sign me upGot no time to take a picture  
I'll remember someday  
All the chances we took  
We're so close to something  
Better left unknown  
I can feel it in my bonesGimme sympathy  
After all of this is gone  
Who would you rather be  
The Beatles or The Rolling Stones  
Oh seriously, you're gonna make mistakes,  
You're young  
Come on baby play me something like  
Here comes the sunDon't go  
Stay with the all unknown  
Stay away from the hooks  
All the chances we took  
We're so close to something  
Better left unknown  
I can feel it in my bones
