

# Higher Love

## Pit Baumgartner

Verse 1

Think about it

There must be higher love

Down in the heart or

Hidden in the stars above

Without it, life is wasted time

Look inside your heart,

I'll look inside mine

Things look so bad everywhere

In this whole world, what is fair

We will walk the line

And try to see

Falling behind in what could be

chorus

Bring me a higher love

Bring me a higher love

Bring me a higher love

Where's that higher love

I keep thinking of

verse 2

Worlds are turning

And we're just hanging on

Facing our fear

And standing out there alone

A yearning and it's real to me

There must be someone

Who's feeling for me

Things look so bad everywhere

In this whole world, what is fair

We will walk the line

And try to see

Falling behind in what could be

chorus

bridge

I will wait for it

I'm not too late for it

Until then I'll sing my song

To cheer the night along

I could light the night up  
With my soul on fire  
I could make the sun shine  
From pure desire  
Let me feel that love come over me  
Let me feel how strong it could be
