

Smiling Faces Sometimes

Joan Osborne

Smiling faces sometimes
Pretend to be your friend
Smiling faces show no traces
Of the evil that lurks withinThe truth is in the eyes
'Cause the eyes don't lie, Amen
Remember, a smile is just a frown turned upside down
My friend, so hear me when I'm sayingSmiling faces, smiling faces sometimes
They don't tell the truth
Smiling faces, smiling faces
Tell lies and I got proofBeware, beware of the handshake that hides the snake
Beware, beware of the pat on the back, it just might hold you back
Jealousy, jealousy, misery, misery
Envy, envy, I tell you, you can't see behindSmiling faces, smiling faces sometimes
They don't tell the truth
Smiling faces, smiling faces
Tell lies and I got proofYour enemy won't do you no harm
'Cause you'll know where he's coming from
Don't let the handshake and the smile fool ya
Take my advice I'm only try' to school yaSmiling faces, smiling faces sometimes
They don't tell the truth
Smiling faces, smiling faces
Tell lies and I got proof
Lies, lies, lies, lies, lies, liesDon't be pulled in by the charm
A million dollar smile
Can be quiet constantly
