Facebook

Danny Wooten & Southern Slang

Iâ€™ve got a secret on Facebook
Why donâ€™t you take yourself a second look
I baited you just like a fish on a hook
But Iâ€™m still smiling on Facebook

When we got together it was red rose and wine
Now it seems like all we do is fight all the time
You said a lot of things that youâ€™re gonna regret
Cause you didnâ€™t remember that Iâ€™ll never forget

CHORUS
Guitar Solo

Youâ€™ve been spreadinâ€™ rumors and talkinâ€™ some trash
Well since youâ€™re on your knees honey, just kiss my ass!
The tables have turned, no Iâ€™m not getting soft
Your gonna learn a lesson for pissinâ€™ me off

Weâ€™ve been friends forever and talked late at night
You said that you loved me and always be mine
But if youâ€™re gonna leave me and break this heart of mine
Iâ€™ll upload every picture of you and put emâ€™ all onlineâ€¦â€¦.

And now your naked on Facebook
Everyoneâ€™s taking a second look
Like the pages from a Playboy book
Completely naked on Facebook

Your Daddyâ€™s pissed at me thatâ€™s all it took
To see you naked on Facebook
