Cloudbusting (Mighty Mouse Re Work)

Kate Bush

I still dream of orgonon
I wake up crying
You're making rain
And you're just in reach
When you and sleep escape meYou're like my yo-yo
That glowed in the dark
What made it special
Made it dangerous
So I bury it
And forgetBut every time it rains
You're here in my head
Like the sun coming out
Ooh, I just know that something good is going to happen
And I don't know when
But just saying it could even make it happenOn top of the world
Looking over the edge
You could see them coming
You looked too small
In their big, black car
To be a threat to the men in powerI hid my yo-yo
In the garden
I can't hide you
From the government
Oh, god, daddy
I won't forget'Cause every time it rains
You're here in my head
Like the sun coming out
Ooh, I just know that something good is going to happen
And I don't know when
But just saying it could even make it happenBut every time it rains
You're here in my head
Like the sun coming out
Looks the sun coming out
Ooh, I just know that something good is going to happen
And I don't know when
But just saying it could even make it happenJust saying it could even make it happen
The sun's coming out
Your son's coming out
